

# BEAM *Delight*

Retail Cash-In Solution

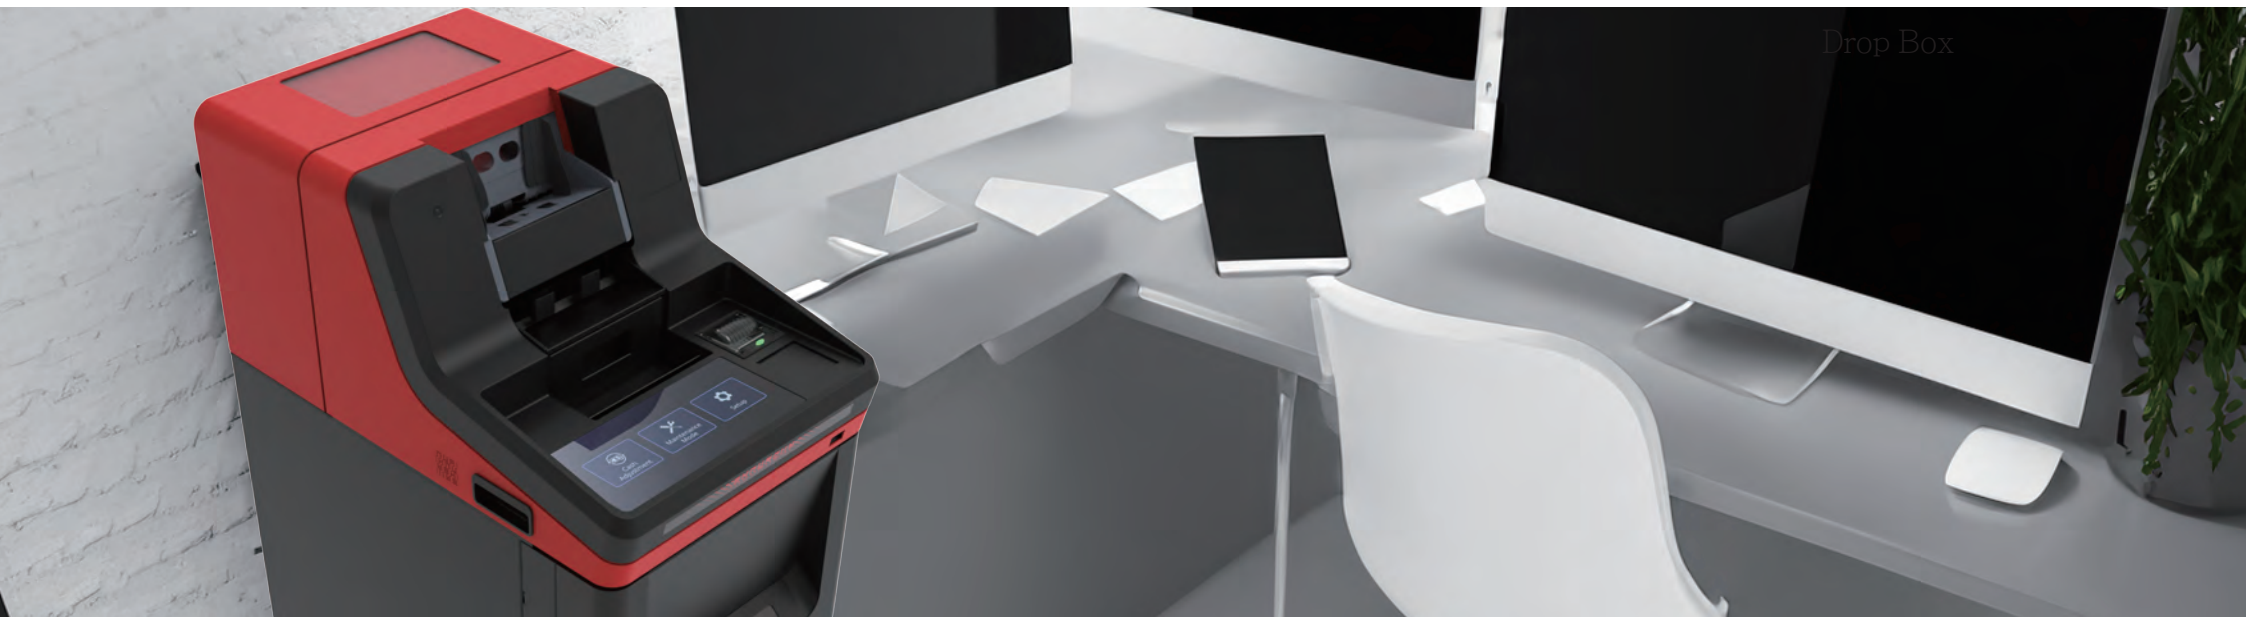

# Next-level Retail Cash Deposit Solution

Introducing BEAM Delight by Masterwork Automodules, the latest member in our cash deposit sector. This advanced system is designed for various industries, offering superior cash handling and security.

With up to 20,000-note capacity, BEAM Delight doubles the storage of our previous model, allowing you to deposit even more cash. This means fewer trips to the bank, saving time and improving efficiency. The sleek, glossy black finish accent, and MA's exclusive mBient lighting give BEAM Delight a stunning look that fits seamlessly into any retail environment.

Integrated with mCloud, BEAM Delight provides real-time cash activity reports accessible from multiple locations. This ensures you have up-to-date information to optimize cash flow operations and minimize the risk of cash shrinkage. The new design is modern, compact, and elegant, making it a perfect addition to any store.

### Comprehensive Cloud-Based Management

- Device Management
- Remote Access
- User & Access Control
- Transaction Monitoring
- Software Integration
- CIT Coordination
- Reports & Analytics

### Depositing Technology

- Continuous deposit | Counting at 600 Notes/min.
- Notes SN Recognition | Supports multi-currency

#### Continuous feed functionality

- Accepts cash in various denomination
- Supports multi-currency
- Note authentication
- Captures Serial number

#### Drop Box

- Designed for manual deposit to store various types of documents like cheque, receipts and so on
- Optional feature

#### Secured Safe and Access

- Strong Box / UL291 Standard
- Featuring ECB Class B locks
- 4-Eye Principle (OTP + Keypad)
- Anchor Holes

#### mBient

- Enhanced visual appeal and improved user interaction.

#### Barcode Scanner

- Verifies security bag
- Log-in Method (Optional)
- Supports both barcode and QR Code

#### User Interface

- Intuitive and low learning curve GUI
- 12.3" IPS Capacitor Touch Screen
- Full HD Display

#### mCloud Platform

- Track transactions and monitor cash inventory in real time
- Receive instant event notifications for full visibility into machine status and activity

### 20K Note Capacity

Double the capacity, reducing CIT pickup frequency and enhancing operational efficiency.

### Convenient

Simplifies cash handling, saving time and effort for your staff.

### Integrated

Seamlessly connects with your existing systems for streamlined operations.

### Unlimited Connection

Access real-time data and manage multiple sites effortlessly.

### New Design

Compact, modern, and stylish with a glossy black finish.

### Secured

Deposited cash is stored in security bags

### User-Friendly Interface

Quick, easy operation, minimizes training time.

### Streamlined Connectivity

Integrates seamlessly with POS and back-office systems.
